# - 1 - YOU WILL SOON DIE BITCHES

Teresa you will regret everything you have done, you'll pay dearest everything you have done damn bitch. I'm going to have you killed with my cousin. I'm in prison. But my cousin is free like you and your husband. You and your husband will die, for what you all did, I communicated with my cousin and he told me with pleasure he will take care of you. Him and his friends will kill you. Sooner or later you and your husband will die. You know what you did, you also did it to my cousin. You are Dominican but remember we are also Dominicans. We have you apartment address and your working address. Don't you ask yourself how I have that, being in jail, stupid. That's my cousin who is very closed to you, and you don't know it. I told him to have you killed. You'll pay.

# - 2 - YOU WILL SOON DIE BITCH

It would have been better if you had not be born than clash with us. Besides my cousin doesn't have to kill you himself, because he has who can do it for him, he has enough money for that and he has people who work for him, who are hit men. He has a good point in Manhattan, he has enough money. He hasn't had you killed because it's too soon, and the police will suspect us right away. You well know why I want you to die already. He also wants you dead, we know everything about you even with me in prison, you are going to die anyhow. My cousin was waiting for me to tell him to kill you. He hadn't done it because I am in prison, but I told him to have you kill. I'm in prison and the police can't blame me. Good -bye you damn. You'll soon die bitch.
